## — Klein DeNatale Goldner Attorneys at Law —

**K**lein DeNatale Goldner has been serving Bakersfield since 1953, providing what Partner Barry Goldner termed, “Great lawyers close to home. We have 33 different lawyers, and we cover a wide variety of practice areas.”

However, this fact doesn’t mean that they are scattered; quite the contrary. Founding Partner Anthony Klein emphasized, “I have been with the company for 50 years, when we only had three lawyers. What sets us apart is that we are sure that we always hire the most qualified people, so, from top to bottom, all of our lawyers possess the same depth of knowledge and ability in whatever they do.”

Managing Partner Joseph Hughes added, “We can handle some of the most sophisticated work that people would travel to San Francisco or Los Angeles for, but we are local and have those resources due to our ability.” From representing the agriculture and oil industries to general business counseling and planning, litigation, intellectual property, employment, and estate and tax

Dedicated to the success of their clients and their varying needs, Klein DeNatale Goldner has been representing Bakersfield since 1953.

These skilled lawyers are close to home and support over 50 charitable organizations in many capacities.

planning, there is little that doesn’t fall into their scope of expertise.

Although they have additional offices in both Fresno and San Diego, Klein DeNatale Goldner pride themselves in being active supporters of the community. Marketing Manager Shawna Smith detailed, “We’re involved in and support more than 50 community organizations such as the American Lung Association, the American Heart Association, Kern County CASA, Kern County Bar Association, and CSUB.” Whether it is monetary donations or serving on multiple boards, many individuals from the firm are an active part of our community.

With a team such as the one at Klein DeNatale Goldner, fewer residents and businesses are going out of town in search of top-notch attorneys to represent them. Due to their wide range of practice specialties, there is very little that Klein DeNatale Goldner can’t handle. And being in business for more than 60 years proves that they are committed to the success of each and every one of their clients.
